

R307. Environmental Quality, Air Quality.**R307-840. Lead-Based Paint Accreditation, Certification and Work Practice Standards.****R307-840-1. Purpose and Applicability.**

(1) Rule R307-840 establishes procedures and requirements for the accreditation of lead-based paint activities training programs, procedures and requirements for the certification of individuals and firms engaged in lead-based paint activities, and work practice standards for performing such activities. This rule also requires that, except as outlined in (2), all lead-based paint activities, as defined in this rule, must be performed by certified individuals and firms.

(2) R307-840 applies to all individuals and firms who are engaged in lead-based paint activities as defined in R307-840-2, except persons who perform these activities within residential dwellings that they own, unless the residential dwelling is occupied by a person or persons other than the owner or the owner's immediate family while these activities are being performed, or a child residing in the building has been identified as having an elevated blood lead level.

(3) Each department, agency, and instrumentality of the executive, legislative and judicial branches of the Federal Government having jurisdiction over any property or facility, or engaged in any activity resulting, or which may result, in a lead-based paint hazard, and each officer, agent, or employee thereof shall be subject to, and comply with, all Federal, State, interstate, and local requirements, both substantive and procedural, including the requirements of R307-840 regarding lead-based paint, lead-based paint activities, and lead-based paint hazards.

(4) While Rule R307-840 establishes specific requirements for performing lead-based paint activities should they be undertaken, nothing in R307-840 requires that the owner or occupant undertake any particular lead-based paint activity.
